Forecast for Saturday 02 Jan 2021

Weather: Dry with some clear spells overnight, leading to a sharp frost. A crisp, dry morning with long periods of sunshine, although it will be sunny it will feel very cold. A few wintery showers are possible in the afternoon and evening and some mist and fog forming at dusk.

Chance of cloud free mountain/hill tops above 600m: 90% cloud free tops, perhaps a few bits and pieces of cloud around the tops especially around showers but it shouldn't persist.

Visibility: Very good or excellent visibility with great views, perhaps moderate for a time in a wintery shower later.
